And So It Goes

Northern's band works to stay no. 1

The Marching Band has spiritedly achieved success, not only in performance, but in attitudes and feelings as well. With Mr. Ronald Shoup as the director, they performed for seven home football games. The band was one of the five featured bands at the University of Michigan Band Day where they performed before 50,000 people. They played for the arrival of Santa Claus at Genesee Valley Mall and presented a Marching Band Concert. The drum major for the band was Maurice Woods and the assistant drum major was Mike Oliver.

The Wind Ensemble played in concerts at school and participated in exchange concerts with Carmen High School.

The Symphony Orchestra participated in four concerts performed for parents.

Upper Left Hand Corner: With Kevin Miller, Carl Opheim, Dave Pickett, and John Penson in the band, need we worry? Lower Left Hand Corner: Northern's Band keeps in step. Lower Right Hand Corner: Dave Wallace, John Benson, and Jeff Forrest practice everyday.

Center: Mr. Petrich strives for perfection at rehearsals. Lower Right: Simon Barbee, Paul Curtis, Larry Wright, Jeff Forrest, and Ken Ogles are part of the Alto section in Choir.

Music flows through Northern Vikings

Under the direction of Mr. Helmut Petrich, the Choir and the Girls Glee Club was involved in many events.

The Choir participated in a joint concert with Grand Blanc High School and Oakland University. They went caroling through the halls at Christmas. They exchanged concerts with Bay City Central High School, and stayed overnight. The performance at the Alumni Concert was put on by the choir and its former members beginning from year 1967.

Glee Club had a total of 41 members, the largest membership in the past seven years. They were involved in public relations work in elementary schools assemblies. The Glee Club provided the music for the Music Departments Annual Pancake Supper.

Upper Right Hand Corner: Sue Laboskey, Gail Smith, Clenetta McGee, Dessel McGonigal, Wanda Barker, Debra Peterson, Beth Laird, Monesa Sharp, and Medara Litzey. Center: Girls Glee Club rehearses for concert. Lower Left: Cindy Wehrli.

Three squads boost Viking spirit

The Pep Club worked on the pep assemblies, Thanksgiving Day Card Section and sponsored a spaghetti luncheon.

To promote school spirit, the cheerleaders practiced drill routines resulting in a more enlightening show for sport fans. These girls also organized the Turkey Day Pep Assembly and competed at U.S.C.A. camp where they were presented with a fourth place trophy. Both of these activities were sponsored by Mrs. Judith Hotze.

Advised by Miss Juanita Brice, the Pom-Pon squad's main responsibility was to promote good sportsmanship between schools and to develop moral support of the team during Viking football and basketball games. They sold candy and other items to raise money for new uniforms.

Viking Debate teams exhibit success

The Debate Club was designed to give extensive speech and debate training to each participant.

Headed by Miss Glenda Eiler, they were in two leagues, Saginaw Valley in which they placed first place and Saginaw Novice League in which they won third place. They participated in several Saturday invitationals including The Gold Cup Tournament at the U of M in Ann Arbor.

The Novice Team won runner-up in the Saginaw Valley League.

David Maxwell and Michael Marve were co-captains for the school year.

Miss Eiler stated that as a first year debate coach she would like to see increased participation in debate in the years to come.

Language Clubs try harder to learn

Northern's language clubs' opportunities consisted of German, French and Spanish.

The German club was advised by Mr. Keith Johnston. One of the projects was selling candy to raise money for a trip to Frankenmuth. The students also had the opportunity to visit Munich, Germany at Easter Time. The goal of the German Club was to introduce students to German culture.

Sponsored by Mrs. Dolores Zale, the Spanish Club held various bake sales and caramel apple sales. During the year, they also had a Spanish student dinner, and a parent-student dinner at the International Institute.

The French Club advised by Mrs. Odessa Jackson, worked toward a united effort to better relations among student, parents, and teachers and sponsored a style show.

Drama Club shows mark of excellence

Under the direction of Mr. James Olson, the Drama Department presented four major productions.

Among these productions were "The Diary of Adam and Eve", which was an award winner, "Rumpelstiltskin", children's play, and a musical which was held in the spring.

These productions were put on to provide a variety of experiences in theatre for the actors and the audience.

The students participating in the plays were either enrolled in Mr. Olson's Acting I or II, Play Production or Stagecraft classes.

Other departments of play productions included make-up, lighting, set construction, publicity and costuming.

Health Club gets involved daily

Northern's Health Careers Club's main objective was to provide an opportunity for volunteer service in the local hospital for young men and women interested in nursing, medical or a related career.

At a monthly meeting, their guest speakers included a dental hygienist, a representative from Genesee Lung Association, and a physical therapist.

Advised by the school nurse, Mrs. Bette Miller, the Health Career Club was involved in various community service projects. They assisted Mrs. Miller in different health programs.

In the spring, the club traveled to Michigan State University for a Health Careers Day, sponsored by the Michigan Health Council.

Literary Club helps express true feelings

Advisers for this year's Literary Club were Mrs. Ruth Dunstone and Mrs. Carole Timm. The president for the year was Mary Hudspeth.

Together, they and the members of the club worked to make this a year well remembered.

The major project worked on by Northern's Literary Club was putting out the annual anthology which was published and sold in the spring. This anthology was made up from the creative work of Northern's students. The works consisted of poetry, prose and art work.

The club worked to stimulate interest, discussion and fellowship in the literary field. Some past members have gone on to become published writers.

Human Relations club helps the needy

The Human Relations Committee had a very active year.

They painted posters, rode in wheel-chairs, got involved in the Human Relations Class, a few participated in the school exchanges and several collected canned goods during the Christmas basket drive.

The group also sponsored several activities including Human Relations luncheons, after school movies, and student exchanges with foreign countries. A very successful program was "Passing Through" during Black History Week.

The Human Relation Club was sponsored by Mr. Richard Ramsdell, the chairman was Kevin Odom, vice chairman Michael Wilson, secretary Kay Jones, and treasurer LaDonna Jones.

Students work to achieve high goals

This year's Deca Club was sponsored by Mr. Ronald Sack. The main goal of Deca was to expose students to the various areas of marketing under the Free Enterprise System. This was primarily achieved through on the job training at businesses in the community.

Advised by Mr. Jack Marlette, the Students for Better Environment Club was willing, ready and able.

Their agenda for the year included finishing Northern's landscaping by planting trees around the building, planting flowers or shrubbery in the form of an "N", having membership drives, (making posters and talking) and ecology assemblies.

The officers were president-Constance Roberts, vice president-Scott Peters, secretary-Bettina Hammond, and treasurer-Cheryl Harris.

Staffs are honored by Quill & Scroll

The North Wind Staff was more efficient this year with the guidance of four editors having as their main objectives better coverage of the news, publish the paper as regularly as possible, giving a wide range coverage of school and community activities, and to strive for an all "A" rating. Part of the staff made sure that the paper was financed by getting ads. Sports were covered from a wide range. Feature writing and reviews were given with full interest. Their adviser, Miss Dorothy Stradford, rewarded students for their meritorious work through Quill and Scroll. This International Honor Society held an initiation that took place during their annual banquet. Fourteen students were inducted into that society. Seniors were given journalism pins and certificates.

Student Council expresses high goals

Advised by Mrs. Delores Ennis, the Student Council was the official representative and government of the student body. Its functions and responsibilities included: coordination of student activities, school organizations and class governments, support of good student-faculty, student-administration, student-community relations and investigation of school problems.

During the school year, student Council through its Human Relations Committee sponsored and supported "Operation Wheelchair", Christmas Basket Drives and the student exchange program. In addition, the Student Council has responded and resolved student concerns in areas affecting the security and safety of the total student body.

Honor society helps promote service

Mrs. Mary McOwens was the adviser for the National Honor Society (Sigma Chi) this past school year. The National Honor Society membership was extended to those upper class students who carried a high academic average at Northern High School.

The main purpose of this organization was to promote character, leadership, scholarship and service.

The traditional selling of mums for the Thanksgiving Day football game was carried out as usual. The club also sold Northern High School identification pins to seniors.

The highlight of the year was the initiation ceremony which occurred in March when the parents and friends of the new members were invited to attend.

Above Left: Sigma Chi students are, standing: Tom Luce, Jennel Golden, and Scott Peteres. Sitting: Marrie Scott, Jenny Jones, Laurie Kohout, Cathy Mackewko, and Tony Doyle. Below: Math Club includes head Mr. Jerry Fowler, Steve Varner, Randy Rathke, Mike Lambert, Charles Nicholas, Rick Rathke, William Yurk, and Donald Werden. Sitting are Marrie Scott, Carole Salim & Cindy Cunningham.

Sponsored by Mr. Blight, the Euchre Club came into existence simply because of the interest of a group of Northern High students who love to play the card game.

The object of the club was simply the "release", enjoyment, and fun, of spending a couple hours a week playing a team competitive card game.

Standings were maintained for winners and losers and tournaments were held.

There was no deep social meaning for this club. It existed purely for the enjoyment and fun of any student or faculty member who wished to play or learn the somewhat addicting card game of Euchre.

Nancy Switzer was the president, and the club had an enrollment of 12 regular members.

club begins practice for spring show

The Synchronized Swimming Club this past year had a membership of 12. They practiced one to two hours everyday.

Advised and coached by Miss Judy Dawson, they produced their annual water ballet which the theme was "Color My World".

This show was a fantasy world with meaning for all ages.

The preparation leading to the show was endurance swimming, weight training, and selecting music for the choreography of the numbers. Included work for the production involved special lighting crew, publicity and script writers.

The officers for this year were president-Mary Fitzpatrick, vice president-Juli Henders, secretary-Lori Greenwood, chairman-Mary Morrissey.

And so it goes . . . another Noroscope staff for 1974

The yearbook staff was sponsored by Miss Dorothy Stradford. This year all the yearbook staff was dedicated to putting the student's school year and activities into one book.

The staff worked diligently to give the student body a good and successful yearbook. Donut sales were a special project, it aided them in purchasing supplies for the yearbook.

They also gave an annual dinner at the end of the school year to celebrate the victory of the yearbook, and to give special thanks to all of the hard working students who gave their time and effort to make this year one of ability and achievements.

Student photographers were responsible for 85 per cent of the pictures in the yearbook.

And So It Goes

Art students express feeling with clay

The students enrolled in art this year experienced more freedom, but responsibility, thus making them more eager to expand their knowledge in the art field.

Headed by Miss Karen Neumann, the Art Department had many different choices available to the students. Some of these choices included lettering, painting, stitchery, sculpture, and of course basic art. Survey of art in modern American Society, techniques of sculpture and clay sculpture were some new art classes that were added for the students' use.

Mr. Phil Heath, a new art instructor this year, stated that he was interested in students seeing art as a valid form of expression and/or a pleasurable leisure time activity.

Upper Right Hand Corner: Randy King. Lower Right Hand Corner: Edward Jefferson, William Marshall, Bernard Brown, and Duane Tucker.

Typing is a must in business courses

In the Business Department, students were taught the basic understanding and development of business skills.

They obtained early experiences in job training and were evaluated by their teachers, fellow students, and employers.

All of the courses taught enabled students to apply their skills for personal as well as commercial use.

Many techniques used in the teaching of students consisted of demonstrations, lectures, projects, discussions, visiting speakers, films, and machines.

Mr. David Dvorak was the head of the Business Department. Along with the help of the other business teachers, students were given the basic background needed to acquire a good place in the business world.

Upper Left Hand Corner: Marcia Knapp. Upper Right Hand Corner: Sarah Nugent, Susan Hulse, Sue Shaw, Pam Shaheen Diane Romarowski, Jerry Johnson, and Wilbert Jones. Lower Right Corner: Steve Notman.

English classes involve some skill

This year's English and Foreign Language classes were a great adventure. Using the new equipment, the chances of gaining new knowledge was even greater than previous years. The students were given much encouragement in learning and using the perspective languages.

The primary objectives in the Foreign Languages were to be able to speak, read, write, and understand the respective languages, and to be aware of and to appreciate the values and behavior patterns of another country.

In English, various selections of reading and types of writing were taught in order to broaden the minds of the students. The selective program helps the student to select the English class of his choice.

Upper Left Hand Corner: Monesa Sharp and Lenore Odom are deeply involved in class work. Center: Marcia Knapp, Joyce Pearson, Bill Prehn in English class. Lower Right Hand Corner: Mark Dailey, Diane McMillan, Juinita Miller, and Janice Walker smile for the camera.

New programs help students to achieve

The Special Education classes were designed for students to complete their requirements, but to let them move along at a level they could handle. It was also constructed for the student who had an academic problem in a certain area.

The academics were English, math, social studies, U.S. History, personal security education, science, and a new addition, drivers education.

The Special Education curriculum also included work experience and Skill Center Program.

Each teacher was involved in the process of directing each student toward the goal of acquiring skills and assets that will make the students contributing citizens in the future.

Upper Left Hand Corner: Mrs. Pamela Toler and Suan Hurler talk about the events of the day. Lower Left Hand Corner: David Farris and Melvin Byrd concentrate on school projects.

Students Prepare for life's tasks

The classes of the Home Economics Department ranged from cooking and sewing to interior decorating and foreign cooking.

Mrs. Anita Holley was the head of the department this year.

The other Home Economics teachers were Mrs. Denise Moss, Mrs. Delores Zale, and Mrs. Clyde Bennett.

Two new classes, offered this year were interior decorating taught by Mrs. Holley, and oriental cooking taught by Mrs. Zale. This was the first year in which Mrs. Zale had the opportunity to teach cooking at Northern. Shared time program was headed by Mrs. Bennett.

In the classes the young men were also given the chance to show their cooking and sewing abilities. They sampled their food and wore their garments.

Top: Hilly Rosalez, Helen Buloker and Shirley Lloyd are busy sewing. Center: Michael Johnson shows that sewing isn't only for girls. Lower Right Hand Corner: Latanga Johnson and Carla Bryant show it takes only a little patience.

Skill is required in Industrial Arts

The Industrial Arts Department this year offered several classes. That of which included auto mechanics, machine and architectural drawing, material and processes: (soft and hard), graphic arts, and a new class added in the fall, auto body repair (shared time program.)

The goals for the classes in this department were structured around developing talents and interests in the technical fields. The students were also acquiring an understanding of industrial processes and principles. Another concept was for the student to develop basic skills and proper use of industrial mechanical tools. Developing creative problem solving abilities in the industrial arts fields was also a basic goal expressed by the teachers.

Upper Right Hand Corner: Student works on project at Skill Center. Lower Left Hand Corner: Beth Ward is intrigued by Graphic Arts.

Students find new ways to compute

Mr. Robert Krabill was again head of Northern's Mathematics Department.

Mr. Krabill's objectives were to help the students learn to work with mathematics and to use it in the proper ways, whether they are preparing to go to college or into another field.

Northern had a new class this year, computer math. The class deals mainly with learning to program the computer. The students were learning how to organize a flow chart so that it can be applied to any computer in any language. The class was taught by Mr. Jerry Fowler.

Teachers and students know that math is a very difficult subject to master. With the help of the teachers and students at Northern, math was made easier.

Musical status is noted at Northern

The Music Department headed by Mr. Helmut Petrich was involved in many events this past year.

The Marching Band played at football games and for the arrival of Santa Claus.

The Wind Ensemble participated in various concerts and played in the District Band and Orchestra Festival.

The Symphony Orchestra participated in various concerts and played for the Honors Assembly.

The Girls Glee Club and Choir combined talents and caroled through the halls at Christmas. They also took part in various programs, concerts, and festivals.

The Ensemble did numerous public relations programs for various community organizations.

Skill is brought out in gym class

In Physical Education this past year, skill was stressed in every way possible.

Interest was more intense because students had a variety of activities to choose.

Besides, Mr. William Adams, head of department, there were five instructors for each hour, with the swimming pool and auxiliary gym always in use. A new addition, the universal gym emphasized individual weight training.

Objectives in this department included encouragement of self understanding in terms of human movement, fostering intellectual creative and expressive powers, and development of behavior habits to help alleviate the burdens and forces of modern living such as the use of leisure time, high pressured living, and sedentary habits.

Upper Left: Keep on trying Martina Thompson, you'll float sometime. Left: Deborah Leverette and Susan Roberts show some of the movements that are used in Modern Dance class. Above: Mary Morales is ready to return the birdie.

Top: With the energy crisis Bruce Ferguson, Doug Martin, and Tony Balog decided to conserve energy. Left: "We know that the ball is around here someplace," said Dana Daniels and John Kvasnica. Above: Ricardo Gray, Reynold Swilley, Jonnie Glover, Jonathan Marve, Dana Daniels, Calvin Williams, and Danny Johnson wait their turn to play basketball.

Science expands with new discoveries

Mr. Harold Cochran, the head of Northern's Science Department, had many goals for his students.

The students learned to demonstrate originality and imaginative thought. They also learned to demonstrate efficiency and independence in gaining new knowledge.

This year's Science Department added two new teachers to its staff. Mr. Gordon Brown, biology, replaced Mr. Grover Kirkland. Mr. Joseph Pavlovich replaced Mr. Francis Bentley. Others in the department are Mr. Arthur Lokkins, physics; Mr. Jack Marlette, biology; and Mr. Peter Stableford, biology.

With the teaching ability of Northern's teachers, students were able to expand their knowledge of the science world.

Upper Right: Larry Terry writes down data from experiment. Left: Cathy Macewko and Toni Doyle photographing a physics investigation. Above: Mr. Arthur Lokkins helps Paul Huss and Bettina Hammond with an experiment.

History involves thought and action

This year's Social Studies Department head was Mr. John Muhvic. The teachers working with him used various methods to make their subjects stimulating.

The development of skills is an essential part of any effective social studies program. Such skills are a basic tool for living and they will be even more important tomorrow. Facts can be forgotten or become out-of-date, but skills, once learned, will usually be of service throughout life.

The Social Studies curriculum had been designed to offer students a variety of courses reflecting many aspects of the complex world. This program enabled the students to identify their roles in making a meaningful contribution to society. And so went another Viking year.

Upper Left: Something interesting has caught J.B. Odneal and Dorothy Pugh's eyes. Upper Right: Denise Leflore, Ron Eary, and John Linker take important notes in History class. Above: Smile Gary Cooper. You're on Candid Camera. You too, Sharon Ferguson.

This past year, Northern's faculty worked diligently to help the students increase their knowledge and expand their originality.

This year's more liberalized system of teaching at Northern encouraged students to use their knowledge to work toward their futures.

With the help of Northern's teachers, old and new, the students learned to express their opinion and abilities to the fullest extent.

The registration for the students was also different this year. Students were given the right to choose the teacher they wanted along with the hour and the class.

And so it goes, another year for Northern's faculty.

And So It Goes

Students enjoy freedom away from school.

The key to student life is involvement. This includes energetic students cheering at football games, pep rallies, playing a part in different play productions, participating in various school activities, relaxing, spending time leisurely, being with fellow mates, and spending time enjoying individual hobbies and interests.

Communication and involvement from day to day brought exciting new challenges to grasp. Student life can also mean responsibility, fun, and expression.

Students taking part and expressing themselves to the fullest brought a successful school year.

Students had the opportunity to participate in copious events and happenings that took place this Viking year.

Turkey day reflects victory for grididders

The Varsity Football team started the season with one returning man and the smallest team ever to represent Northern as far as size was concerned. Coached by Mr. Fred Crawford, the football team won six and lost three games.

This year's team ended the season by beating Flint Central for the fourth time in the last five years.

Captains Don Tidwell who made All-Valley Defensive back and captain Charles Hall were outstanding leaders.

Seniors Keith and Kevin Berger, Ron Jamieson, Ed Jefferson, Robert Jourdan, Simon Barbee, Robert Tipton, Ron Drighety, Robert Schmidt and Mario Daniels all played an important role toward this seasons success. Many juniors also contributed toward the success of the season.

Watch out for many Viking victories

Coached by Mr. Scott Soth, the Junior Varsity football team had a total of four wins and five losses for the season. They came very close to Viking victories in three of those five losses.

With Don Durrett, Alvern Lock, and Lonnie Williams leading the offense and Ken Rhodes, Wendell Thompson and Calvin Mance anchoring the defense, the season was both exciting and beneficial for those who participated. There were many fine performances turned in by the different team members and for the first time in many years, eight members of the junior varsity team were dressed and ready to participate in the Thanksgiving game against Flint Central.

The Junior Varsity Team showed togetherness and unity throughout the season.

Viking Harriers have successful season

Directed by the experienced coaching of Mr. Norbert Badar, the Varsity Cross Country team was led to many championships.

This included the Owosso Invitational, Howell Torch Light Invitational, and the Saginaw Valley Championship. The team also claimed the city championship with a low point total of 17 points. In the State's final meet, the Varsity team placed fourth.

Four returning lettermen and many first year lettermen completed the team.

Richard Michael and Steve Varner were the co-captains for the season. Richard Michael was voted by his teammates to be the most improved, and Keith Young the most valuable player of the season.

Overall, the Varsity Cross Country team had 79 victories.

J.V. finish season with impressive record

The Junior Varsity Cross Country Team this past fall were the Regional Meet Champions.

Overall they won five meets which records included the Owosso Invitational Co-Championship and the City Meet Championship.

In the Valley Meet, the Cross Country team placed second with a score of 37 out of six participating teams.

Under the skilled coaching of Mr. Norbert Badar, the team placed second in two other meets which involved more than two schools.

Top runners for the season were Richard MacInnes, Jeff Lincoln, Mickey Young, Mark Tower, and Reginald Ridgeway.

Stanley Langston and George Young were two young men on the team who were presented with the Junior Varsity Award.

Track and field set school records

The 1973 Track and Field team had another great year for breaking and setting new school records. The team consisted of dedicated young men.

With the help of coach Norbert Badar, the team was able to see some very impressive victories. The top performers for the season were Steve Varner, James Wren, Bernard Lewis, George Young, Anthony Brown, Excio Goodlow, Larry Dent, Keith Young, Richard Banks and Patrick Atkins. Most improved was Richard Banks and the most outstanding was Bernard Lewis. The captain for 1973 was Steve Varner. The captains elected for 1974 were Anthony Brown and Steve Varner.

The top ten scorers were: 1. Bernard Lewis 2. Anthony Brown 3. Keith Young 4. Steve Varner 5. Birdies Shields 6. George Young 7. Patrick Atkins 8. Richard Banks 9. James Wren 10. Exico Goodlow.

First year Northern hockey is a hit

In 1973-74 Northern had its first hockey team. Problems in the first quarter of the season prevented Northern from possibly winning the league championship, but they came back after four consecutive losses and ended the season with seven straight wins which included league champion Grand Blanc and a second place Powers. Dick Hobson was coach.

Although there were only 6 seniors on the team, everyone of them was a big assist to the team. Captain Mark Piechowski, John Bednarski, Tim Hallwood, Bob Leonard and Steve Shaw were all starters. Bob James played sparingly through the season.

Other top players who are underclassmen are: top scorer Scott Kennedy, Kevin Goss, Jeff Klein, Matt Manily, Cliff Hobson, Bruce Schnlider and goaley Bob McPhillymy.

Varsity golf team finishes top in city

The Varsity Golf team, coached by Mr. James Polities placed first in the city out of five participating teams.

Overall they won 14 and lost 6 games. They placed eighth in the regionals out of 21 participating teams.

The team's meet average for the season was 84.7. The third year winner was Stewart Smith. The second year winners were Dave Sark, and Dave Cheesebro. The first year letter winners included Greg Kehler, Dan Traywick, and Mike Bastion.

Brian Mortenson was also a member of the Varsity Golf Team.

Stewart Smith proved to be the most valuable player for the season.

And so it goes for Northern's 1974 Varsity Golf Team

Hopes high for varsity lettermen

Coach Bill Adams had returning lettermen that helped to mold the 1974 baseball team into a very strong contender. Mark Bachman, Shelton Davis, Randy Hack, Jerry Johnson, Jim Orr and David Sark were in the infield. The outfield was chosen from Stan Anderson, Bobby Johnson, William Scullark, Kevin Snyder and Don Tidwell. Returning right hand pitcher Greg Kehler got mound help from Simonn Barbee, Kevin Berger and Dennis Howard.

Demris Lee, one of the most exciting baseball players in Northern's history, climaxed his varsity career by hitting .487 in 1973. During his three years of varsity baseball, Demris was named to the All-City team 3 times, the All-Valley team once, and he was the first Class "A" team baseball player to be selected for the Associated Press All-State team 2 years in a row. He was honored in 1972 and 1973.

JV's display few bright moments

The 1973 Junior Varsity baseball team had a disappointing season record wise with a 6-16 mark. Yet Coach Ken Fowler did see some bright moments as he received two excellent batting performances by Randy Hack and Don Traywick.

Hack belted a hefty .473, collecting 28 hits, 18 runs batted in and 13 stolen bases. Traywick only hit a .228 clip, yet had 13 hits and 16 runs batted in and once belted two consecutive home runs measuring over 300 feet in each one.

Southpaw Terry Bobo led the mound corp with an impressive 0.969 earned run average and collected 55 strike-outs. Jon Pines, though having a 3.47 earned run average, pitched in 11 games, 48 one-third innings with 57 strike outs and accumulated the winningest record with a 2-6 mark.

Netters have best season in 30 years

The 1973-tennis team finished their season with a 10-2 record, which is the best in 30 years for Northern.

The team was 2nd in the city, 2nd in the Valley and 2nd in the regional.

Top players were Scott Graves (8 wins, 4 losses), Jose Nancio (11-1 and 2nd in the Valley) and Joel Kaufman (11-1 and 3rd in the Valley). The doubles team of Ted Sparpaski, John Maxwell and Word Perry, Perry Cable, both had 10 wins and 8 losses.

1973 was also the first year Northern had a girl on the Varsity team. She was Sue Bland and she had a season record of 8 wins and 4 losses. Coach Ed Krupa stated, "the team devoted a lot of time to their tennis and that's what makes a winning team plus it's the winning spirit of Northern."

Girls add to the success of J. V.'s

The 1973 Junior Varsity Tennis team completed its first full season of tennis matches with a 5-2 record. The two losses were by one point each time to Carmen's J.V.

J.V. tennis coach Randy Thompson stated, "The three girls on the squad contributed many points to the teams' winning season." The coach also mentioned that he expects six of the J.V. to play on Varsity next season. "We hope to play even more matches next season", coach Thompson added.

The team consisted of Connie Arnold, Cathy Arnold, Bob Fontana, Marilyn Kern, Joe Hammerberg, Gary Gilbert, Mark Kahout, Marty Schroeck and Tom Sanocki.

The J.V.'s played Powers, Grand Blanc, Hamady, Carmen and Flushing.

Grapplers have successful season

This year's 1973-74 Wrestling team, headed by coach Bill Viverette and assistant Pete Stableford improved their dual meet season with a record of 7-3, placed third in the City and Valley and won a third place trophy in their own Northern Invitational.

The enthusiasm of co-captains Ed Gibson and Ronnie Childress set examples for the incoming sophomores in addition to lettermen who filled key weight divisions from last year's team.

Rick Rathke 29-3, Ed Gibson 24-2, and Ronnie Childress 25-3 were Northern's most improved wrestlers this season. Juniors and sophomores James Allen, Wendell Thompson, Herbert Tolbert, Asa Jones, Stanley Goodwin, and Randy Hack have shown some fine performances this season and should be an asset next season.

Experience important to JV grapplers

The 1973-74 Junior Varsity Wrestling team ended its season with a 5-1-1 record. Coach Pete Stableford's key factor was to take inexperienced wrestlers and turn them into experienced wrestlers. Primarily the team was made up of sophomores. However, these sophomores received a great deal of experience and should help give strength to the varsity squad next year.

Keith Wilson, a sophomore, was very outstanding for the team boasting a 15-0 record, with 12 of those wins coming by pins.

This season was another season for development and organization. Next year looks very promising for both the Varsity and Junior Varsity Wrestling with many prospects coming from the various junior high schools.

Teamwork bestow Cagers the district

Team work is what it takes and Bill Troesken's varsity basketball squad proved this. Aided with good shooting, rebounding and playing abilities, the team finished with a very impressive record of 15-8 as of the District Championship.

The highlight of the season was the victory over Northwestern in the Districts by a score of 63-50.

The Vikings played exciting basketball with four of its defeats coming by a total of nine points. Mike Williams and Robert Root were co-captains along with Robert Tipton, Jerome Huddleston and Kelvin Woods for a solid starting team. James Cooper, Jeff Tobias, and Shelton Davis gave excellent support and were instrumental in several wins.

Returning lettermen are Shelton Davis, James Cooper, Jermone Huddleston and Jay Britt.

JV's take city with perfect record

The Junior Varsity Basketball team displayed a very impressive season this year. They played hard and worked together. Coached by David Jacobs, the J.V. boasted a record with 18 wins and 2 losses. They also showed good work in the city by defeating all three city high schools three times for a perfect record. Coach Jacobs stressed to his players that a hard working team is a winning team.

Because most of the players are juniors, the Varsity team for next year should have a pretty good outlook. Experience was something the team had because many of them played as sophomores. The team was practically ready when the season began. Sophomore Gary Cooper and Juniors Calvin Leslie, Micheal Griffin, and King Johnson were moved up from the J.V. squad to Varsity at the end of the season.

Opponents are pressured by Sophomores

The Sophomore basketball team got off the '74 season with a bang, blasting Beecher 40-27. From there they went on to chalk up a very successful season. Directed by coach Randy Thompson, the sophomore team was able to record 14 wins and 2 losses this season.

On the court, these young men showed their ability to play good ball and work as a team. They stayed with one another throughout the whole season. Coach Thompson stressed that he worked to make his team not only a winning team, but a team that would gain experience throughout the season.

Many of the players who were on the team will be playing next season on the Junior Varsity team. Experience was something the team had to accomplish because many of them didn't know the responsibility of playing high school basketball.

Viking tankers play "Beat the Clock"

The 1973-74 Swim season was a mild success. Although the overall record was 4-7-1. The record in the city was the best in recent years at 4-1. The city meet was as close as the two previous meets, but the Vikings moved up a notch this year to second place.

The team was lead by two outstanding seniors Jeff Smith and Karen Waite. Karen was the team leader all year long and proved without a doubt that she could compete with the boys and win her share. Jeff finished out his career by defending his city and valley spring crowns for the second time after winning both the 50 yard and 100 yard freestyle events in his sophomore year. Jeff Smith, in State meet, became State Champion and High School All-American with the time of 21.9 in the 50 yard freestyle.

Girls' basketball has first season

Coached by Miss Dorothy Kukulka, the first girl's basketball team had an unusual and unique start for its first season. The program was put into effect one and a half weeks before the first game was scheduled to play. Within that one and a half week period the team was selected, conditioned, outfitted with uniforms, and put into competition.

The season consisted of playing each of the city's high schools three times, ending with a single elimination District Tournament. The girls interscholastic sports are identical to the boy's in rules, tournaments, and eligibility as outlined by the Michigan High School Athletic Association.

There were 15 girls on the basketball team, with Patti Swartz and Stella Stephen as co-captains.

Volleyball was played this winter for the first time at Northern. Miss Judy Zylstra, a fourth year physical education teacher at Holmes Junior High, was coach. This year marked the first time for Miss Zylstra coaching high school students.

The team consisted of 13 team members. Sophomores mainly made up the team with the exception of two seniors and one junior. Six made up the starting team. The girls' sport was organized in January and a week later the team played. New outfits came later in the season.

"It was rewarding working with high school girls. They were great kids. The team looks promising for next year," added Miss Zylstra. There will be more team in the league and better organization next year. In order to win the match the team had to win 3 out of 5 games.

As a new world unfolded for the sophomore class, they found out high school was exciting and demanding.

Advised by Mrs. Denise Moss, a lot of spirit was promoted as the sophomores enthusiastically worked on projects to accumulate funds for their upcoming junior and senior years. Among the projects were selling popcorn and other snack foods. Dances were also given by them at various times of the year.

As the sophomore class adjusted to Vikinghood, unity was a key for their future. Yes, the halls are now memories for later years.

The officers were president-John Blakely, vice president-Susan Ursury and secretary-treasurer-Terry Milton, representatives-Carolyn Brown and Sue Bryant.

Juniors take pride in being officers

The Junior class of 1974 worked very diligently to make this year a special one.

Sponsored by Mr. David Dvorak and Miss Glenda Eiler, their main goal was to accumulate funds for their senior year. To raise money, they sold Hostess products and ice cream in the spring.

They also had an exchange with the junior class at Southwestern which proved to be successful.

As usual the junior class held a Junior Prom.

The junior class really looked forward to the upcoming year of "1975".

The officers were president-Terri Turner, vice president-Janice Blueitt, secretary-Pam Derring and treasurer-Tramell Ridgell. There were five representatives.

Senior class works for terrific year

The 1974 graduating class was the first class to complete all three years at the new Northern.

The success of this class was due largely to the leadership of the senior class officers and representatives.

Their activities consisted of the potato chip sales, annual Senior Dinner, Senior Prom, Honors Night and Commencement. Senior dues were also collected to help raise money for the Senior Prom. They also sponsored a variety show.

Seniors received their announcements and rings early in the spring. Red robes were worn again this year by seniors.

There were approximately 572 seniors who graduated this year. Seniors who met all graduation requirements in February were permitted to graduate, but many returned to participate in Commencement that was held in June.

(standing left to right) Sharon Watkins, treasurer; and Bridget Carbins, secretary. (sitting left to right) Danny Leverette, president; and Valerie Finley, vice president are senior class officers.

AND SO IT GOES

As the year ends, Northern once again closes its doors to the energetic students. Laughter, joy, and concern were expressed as students traversed the halls, day to day communicating with their fellow peers.

The key to a successful year required united effort throughout the school. Teachers and students worked together. To many individuals, working together meant a lot. Although students leave Northern with "heavy hearts", they will hang on to the many experiences they had while here at Northern.

Northern helped to prepare students for the challenges of life and to meet the demands of their future.

And so it goes, the year of 1974.

Leslie,
 Even though
 you're a junior
 you're a nice guy.
 It's been fun to
 you English class (and
 my books off my
 pick chair) my good luck in
 your senior year.

Luv,
 Monique
 P. 74

It's been a riot
 having you in Francis
 and algebra. Word you're glad
 when we get out of here. Thanks
 for your help on the pronunciation.
 I got an A
 for your words last semester. I got an A
 with your help. Good luck in the future.
 Love
 You

Leslie,
 It will always be
 fun watching you ride
 a motorcycle. Good
 Luck and have fun.

Jeff

P.S. Be sure to eat
 your matza every
 day.

Leslie,
 To someone I've
 known since I
 came to Northern.
 Good luck next
 year and always.

Cindy '75'

Leslie,
 To a real different
 guy who is unperishable
 at times. But you cool
 just because you survived
 Greys bombing. Good luck
 "7" the future.
 Dan Droboski

Yes, you really
 spit me up. Really
 hope you'll be in one of my
 class next year, until then
 salut et Bonne chance
 Denis Bourque

Leslie,
 I know you'll always
 remember 2nd hour as
 a real experience, I'm
 sorry I didn't get to know
 you better, but I know you
 make many friends.

To the best Henry Higgins
 Pygmalion has ever known.
 Good luck
 Gerard
 Love Skunda "75"

Yes, you can really crack
 people up a times when Ralph
 picks on you.
 Take care. Dan
 Miller "76"

Leslie,
 I don't know you
 very well but you seem
 like you have a fine personality
 Have a nice summer. Good Luck,
 keep smiling. Lisa
 Bayus
 "76"

Leslie, you're
 a great person
 who's not afraid
 of anything. You
 are always there
 for us. I hope
 you'll be in one
 of my classes
 next year. Love
 you all.
 Bayus
 "76"

Good luck in years to
come Jerry Campbell

Les,
I enjoyed having
you in my class this
year. Good luck in
the future.
Mr Pavlovic

Leslie,
It's been
nice knowing
ya. Hope to see
ya next year. Have
a good summer.
Darius '76

Les.
A really nice guy
even if you're a few
the core and stay
away from Germany

Guy

Les,
To one of my comrades-in-arms
in the war against hysteria
during second hour,

Good Luck
(Shalom)

Timothy William Haley III

Leslie,
I don't know you to
well, but seem to be
a nice guy. Good Luck.
